Ethereum Bible: All You Need to Know about Ethereum (Paperback)

By Rafael Ramirez

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The title is self-explanatory. This book is designed as a guide to help you understand, invest in and trade with cryptocurrency. The specific focus of this book is Ethereum or Ether (ETH). If you are someone who follows the financial markets closely, you will have noticed that cryptocurrencies are steadily increasing in their popularity. The past couple of years, in particular, have seen the tremendous growth of different types of cryptocurrencies. It is therefore unsurprising that everyone wants to figure out a way to start investing in them. Not only are they becoming more and more popular and accepted, but they are also changing the way we look at traditional financial systems themselves. The problem is that the information available about them that's crucial to understanding how they work is always presented in a complex manner. You might be led to believe that it is an incredibly complicated system that requires your own personal Yoda and years of training. While it would be great to be a Jedi, I want to tell you that this process is not as long-winded as that. You might not...
